OUR MEMBERS HELP PEOPLE RESTART THEIR LIVES THROUGH HOMEOWNERSHIP

YOUR PARTNER

Our members typically manage in excess of 100+ transactions each year over ten times the national average for the real estate industry. This high volume combined with decades of experience make our members the strongest and most skilled specialists in our field.

SKILLS & TRAINING

- Weekly NRBA News webinars for industry updates
- Weekly classes of new skills
- Several live training and education events annually

All members use the most current technology and tools including 3D tours and floor plans, video tours and drone footage

INTEGRITY

We are the only organization where our members; who are the most experienced in default industry, help fellow members on a daily basis in their business. With our stringent membership standards and vetting process, we start with only the industry's strongest.

Why Work with NRBA Members?

- 1** Our members are always the best informed, with the most current market and legal knowledge that they will use to protect you and your assets.
- 2** Our goal is to continue to be the first to adapt to new changes in the market. We do not fight a market, we make change work for all of us.
- 3** Our members possess the added skill sets required for managing distressed assets; including strong community outreach, preventing media and legal risk, local code and legal regulation, specialized valuation, and rehabilitation skills, along with relocation assistance that creates and reestablishes homeownership opportunities for all.
- 4** Our greatest strength is in our members and the cooperative efforts between them. Sharing knowledge and experience with one another as well as being there to assist each other so that no clients assets are serviced at less than 110%.
